Added 200+ kids brands during the pandemic to meet the latest need states of the consumers

Myntra Launches ‘Toys’ in the segment to boost the category

Bengaluru, Dec 22, 2020: Kids’, as a category of apparel and accessories is emerging as a strong and promising segment, for Myntra, India’s leading destination for fashion and lifestyle. As a platform that holistically caters to the fashion needs of people under one roof, the kids’ category is an integral part of the overall value proposition of the online fashion major and has registered a 90% growth over the last one year. This may be attributed to the growing attractiveness of online shopping, from the perspective of safety, during the pandemic.

As the nation’s largest destination for fashion, Myntra currently houses over 1.1 lakh styles from over 450 leading brands, in the kid’s category. Some of the leading brands on the platform in the Kids’ segment are, H&M, UCB and GAP, among others, while leading products include Dresses, T-shirts, Sweatshirts, Value Packs and Night Suits. The category also performed extremely well during the pandemic, when its share of revenues doubled, registering strong organic growth for home wear and day wear article types, such as value packs, night suits and innerwear, among others. During the current year-end festive season, Myntra witnessed huge demand for party and outer wear, with sequins and embroidered dresses for girls and blazers and suits for boys. Winter Jackets and sweatshirts are also emerging as favourite among kidswear.
